DRESS CODE CONT.

APPEARANCE POLICY

The final decision about the appropriateness of a student's appearance will rest with the Summit Christian Academy administration. Contact the school office if you have any questions regarding the dress code. The school administration reserves the right to judge any article of clothing on an individual basis. If a student is in doubt as to the acceptability of their attire or appearance, checking with administration beforehand is advised.

School uniforms accomplish several positive goals. They (1) create a sense of community, (2) reduce a family's clothing expenditures, (3) instill students with discipline and future-readiness, (4) help the school environment become less competitive and more focused on learning, (5) reduce stress at home in the mornings when choosing what to wear, and (6) encourage students to express themselves in creative ways other than through their clothes.

HAIR AND MAKEUP

Hair is to be maintained so that it is not extreme. Hair must be clean, combed, and neat in appearance. Hair should be styled so that it stays out of the eyes and does not interfere with school work. Designs may not be shaved or dyed into the hair. Hair and make up color and styles which appear extreme or attention-getting are not acceptable.

FOOTWEAR

A pair of clean indoor shoes are required to be kept at school at all times. Students will change into outdoor shoes and/or boots for recess, outdoor activities, and departure. Shoes and socks should be worn at all times. Shoes should have a low heel or no heel so as to not impair movement during activities. Athletic-type shoes are required for PE. No flip flops.

SUMMIT CHRISTIAN ACADEMY T-SHIRTS

Students may wear a Summit t-shirt and jeans on Fridays. One shirt will be given to each new student. Additional shirts and merchandise may be purchased at the Summit Store located at the main office.

FREE DRESS DAYS

Free dress days are on the 1st Friday of the school month. Students may request a free dress day on their birthday from the school principal. Special "reward" free dress days may be given periodically.

If a student arrives to school outside of school uniform and dress code:

1. The teacher will notify the school office.
2. The school office will call home and request proper school uniform or dress code is brought to the school as soon as possible.
3. The first time a student arrives to school outside of school uniform and dress code will be notated as a warning. The second and following times will be documented.
