

2024-2025 TUITION

We are thrilled to celebrate 5 years as a school! Since 2020, we have joyously committed to offering an alternative education option to families in our community and providing a nurturing and enriching learning environment for all of our students.

In Jeremiah 17:7-8, God's Word compares a person who trusts in the Lord to a thriving tree that sends out roots in search of water so the tree can thrive in the heat and elements. What a picturesque metaphor as we seek to prepare our students to thrive in today's challenging culture, inspiring them to be culture-shapers and world-changers!

As we prepare for a new school year, we believe that our BEST days are right in front of us!

Affording Tuition

Christian education is an investment into your child's foundation and academic education. We strive to make education at Summit Christian Academy affordable and available to all families by offering various payment plans, discounts and awards. During the 2023-2024 school year, we gave \$82,350 through military, multiple child, staff, and enrollment fee discounts and awards.

Summit Christian Academy's operating and project expenses are funded by a combination of tuition and generous donations, which makes fundraising efforts essential to our success and growth. Each year, parents, students, teachers, and community members work together to raise funds to support SCA in its commitment to provide an excellent school experience. Through our trust in God for His continued work on our campus, our school community's dedication to our mission, and successful fundraising, we can create a stronger experience for our students beyond what tuition alone allows.

Reimbursement Opportunity

SCA students have an incredible opportunity to dual-enroll in a homeschool program of choice and receive tuition reimbursement for instruction and/or extra-curricular activities. This educational reimbursement goes a long way in helping reduce the cost of education for families. The 2023-2024 reimbursable amount for our Kindergarten-6th grade students was \$2,700. Contact your homeschool program of choice to learn more.

Tuition payments are managed by FACTS Tuition Management. FACTS applies a 2.95% charge if tuition payments are made with credit card. No charge is added for payments made with ACH. FACTS may assess a \$30 returned-payment fee for each attempted payment that is returned. Summit Christian Academy reserves the right to charge an additional fee for late payments. Tuition payments are due the 5th of every scheduled month. Before and After Care payments are due the 20th of every month.

*The security investment directly supports the continued effort to increase building safety and prioritizes the safety and security of our students and staff. The non-refundable security investment is \$200 per family and will be automatically withdrawn on the first day of school. Proposed improvements include safety training, additional security camera technology and maintenance, secured entrance door alert system, playground fencing improvements, and more.
