## CURRICULUM

Summit Christian Academy strives to provide the best possible educational experience to students. Our teachers draw from a variety of teaching approaches such as hands-on learning, memorization, direct instruction, cooperative learning, and technology to help address the individual needs of learners. Spiritual education occurs through daily Bible lessons and weekly chapel. *Ultimately, Our goal is to cultivate an environment for Christ to be present, inviting Him to be the center of every aspect of our school.* After rigorous and focused research, we are excited to implement a variety of curriculum programs.

## PRESCHOOL

## Library

*The Summit Christian Academy Library exists to prepare students to live and learn in a world of information. Through weekly read-alouds, discussion, and book-look and book check-out opportunities, the Library promotes and encourages early literacy and the active exchange of ideas while increasing students' interest in reading, viewing, and assimilating information and ideas with their bigger world.*

## HOMEWORK

Homework may be given at the discretion of the individual teacher.

## REPORT CARDS/CONFERENCES

Report cards will be issued at the end of every quarter. However, should you feel the need to discuss an issue pertaining to your child, we encourage you to make an appointment with your child's teacher. Conferences are held twice a year to discuss the report card.

End of the year report cards will not be released until all account balances are paid in full.

## SCHOOL MEMBERSHIP

Summit Christian Academy is a member of the Association of Christian Schools International (ACSI). ACSI exists to strengthen Christian schools and equip Christian educators worldwide as they prepare students academically and inspire them to become devoted followers of Jesus Christ. Through ACSI we are offered consultation from educational leaders, professional development, and legal/legislative advocacy and support.
