## WHY IT IS IMPORTANT

By participating in the **FUN RUN** fundraiser we can create a stronger experience for our current and future Summit World Changers, beyond what tuition allows. It is through fundraising efforts like this that we were able to add and maintain enhanced learning opportunities and programs in 2024-25 like Sign Language, Music, Art, Library, P.E., and Mystery Science!

A portion of all Fun Run proceeds support our local fire departments for their incredible contribution to our community!

**We are confident that every donation made will create a legacy in hundreds of lives now and for generations to come.**

Thank you for your participation!
