

2026-2027 TUITION

We are thrilled to celebrate 7 years as a school! Since 2020, we have joyously committed to offering an alternative education option to families in our community and providing a nurturing and enriching learning environment for all of our students.

In Jeremiah 17:7-8, God's Word compares a person who trusts in the Lord to a thriving tree that sends out roots in search of water so the tree can thrive in the heat and elements. What a picturesque metaphor as we seek to prepare our students to thrive in today's challenging culture, inspiring them to be culture-shapers and world-changers!

As we prepare for a new school year, we believe that our BEST days are right in front of us!

Affording Tuition

A Christian education is an investment in your child's foundation and academic growth. At Summit Christian Academy, we strive to make education accessible for all families by offering various payment plans, discounts, and awards. These opportunities help families manage the cost of tuition while ensuring every student can benefit from a quality Christ-centered education.

Reimbursement Opportunity

SCA students can also benefit from dual-enrolling in a homeschool program of their choice and receive reimbursement for instruction and/or extra-curricular activities offered at Summit or within the community. This educational reimbursement helps reduce the cost of education for families while providing flexibility and enrichment. Contact your homeschool program of choice to learn more about this valuable opportunity for our Kindergarten–5th grade students.

Supporting Our School

Summit Christian Academy's operating and project expenses are supported through a combination of tuition and fundraising efforts. Each year, parents, students, teachers, and community members come together to raise funds that enhance the student experience beyond what tuition alone provides. Through the dedication of our school community and God's guidance, these combined efforts allow us to continue offering a vibrant, enriching educational environment for all students.

Tuition payments are managed by FACTS Tuition Management. FACTS applies a 2.95% charge if tuition payments are made with credit card. No charge is added for payments made with ACH. FACTS may assess a \$30 returned-payment fee for each attempted payment that is returned. Summit Christian Academy reserves the right to charge an additional fee for late payments. Tuition payments are due the 5th of every scheduled month. Before and After Care payments are due the 20th of every month.

**The security investment directly supports the continued effort to increase building safety and prioritizes the safety and security of our students and staff. The non-refundable security investment is \$200 per family and will be automatically withdrawn on the first day of school. Proposed improvements include safety training, additional security camera technology and maintenance, secured entrance door alert system, playground fencing improvements, and more.*
